

King William-Lavaca RPP Pilot Program

Hours of Enforcement	24 Hours a Day, 7 Days a Week
Number of Permits Per Address	4 Per residential lot Parking director will make an individualized determination when a parcel is subdivided into more than two units. The program intention is to issue two permits per unit.
Cost	\$10 per permit per year

Streets for Pilot Program

General Principles: RPP Side will be the side with homes fronting if opposite side is a park or other non-residential use, otherwise open side will be fire hydrant side, all inconsistent parking restrictions will be removed
